**Animal Dermatology Clinic Announces the Opening of Their Newest State of the Art Veterinary Specialty Practice in Ontario, CA**

**June 2, 2015 – ONTARIO, CA** – Animal Dermatology Clinic announces the opening of a full time, state of the art, dermatology specialty practice in Ontario, CA. The over 2000 square foot facility has four dermatology exam rooms, a large treatment area, and a separate procedures room for specialized services such as laser surgeries, intradermal allergy testing, skin biopsies, video otoscopy, diagnostic testing, and treatments on-site, in a quiet and stress-free environment.

“We are very excited about our new location. It is large and modern and offers additional amenities for patients and their owners in the Inland Empire,” says co-owner and lead doctor Colleen Mendelsohn DVM, Diplomate ACVD. In addition to Dr. Mendelsohn, Megan Frazer, DVM, Diplomate ACVD and Kimberly Lo, DVM, dermatology resident, will be receiving cases in the new facility. Drs. Mendelsohn and Frazer are two of just over two hundred board-certified specialists in dermatology in the U.S. and Canada. The Animal Dermatology Clinic-Ontario has been serving communities in and around the Inland Empire since October 2005 and has been co-located with another specialty practice. “Our new clinic is still within the same centrally located shopping center and provides easy access for many referring veterinarians and their clients. The clinic is located in the Vineyard Pavilion Shopping Center, 2409 S. Vineyard Ave., Suite M, Ontario, CA 91761 and appointments can be made by calling 909-218-8288.

Founded in 1980 by Dr. Craig Griffin, Animal Dermatology Clinic, is the largest group of veterinary dermatologists across the globe. The original clinic was located in Garden Grove, CA. In February of 2000 this practice moved to a multi-specialty veterinary referral practice in Tustin, CA, which is where the Orange County office of Animal Dermatology Clinic is today. Since 1980, Animal Dermatology Clinic has expanded to include nine full time clinics in San Diego, Los Angeles, Marina del Rey and Pasadena, CA. Additionally full time clinics are operating in Marietta, GA, Louisville, KY and Indianapolis, IN as well as Perth, Australia and the newest in Auckland, New Zealand. In addition there are 28 satellite facilities, throughout California, Georgia, Kentucky, Indiana, Maryland, Washington State and Western Australia.
